*Proof of insurance will be required prior to renting a food trailer.

Please note:

If your county requires you to obtain a health permit you are responsible for paying any and all fees associated with that. Some counties will also require you to have a pressure test performed on the propane system by a licensed propane technician prior to obtaining a health permit. (Travis County) You will be responsible for this cost if it is required by your county. If you would like us to have this test done for you, prior to picking up the trailer, the fee for the pressure test is \$200 and fee to fill the propane tank is \$150 (100lbs) Please let us know in advance.

A security deposit of \$3,000 is required for all rentals. An additional deposit is required for out of state rentals and based on the number of miles away your location is. The deposit is fully refundable as long as the trailer is returned in the same condition as it was when signing your contract.

To reserve a food trailer for a future date there is a \$500 deposit required. This fee will be applied towards your security deposit and deducted from the total amount due at the time of pick up. Please send back the completed application if you would like to proceed with renting a trailer. Payment must be made by electronic funds transfer.

There is an 8.25% sales and use tax applied to all rental payments.
